

## REMARKS

This application is a divisional of U.S.S.N. 10/016,393. This parent application was subject to a restriction requirement that resulted in claims 15-23 being withdrawn. Applicant now wishes to prosecute the withdrawn claims and abandon the parent application. New claims 24-32 are added to better define the invention. No new matter is added.

The Commissioner is hereby authorized to charge any additional fees that may be required, or credit any overpayment to deposit account 02-0429 Baker Hughes Incorporated.

Respectfully submitted,

Date: Oct 16, 2003
